A Declaration of Emergency is necessary because the U.S. Fish and Wildlife Service establishes the framework for all migratory species. In order for Louisiana to provide hunting opportunities to the 200,000 sportsmen, selection of season dates, bag limits and shooting hours must be established and presented to the U.S. Fish and Wildlife Service immediately.

The aforementioned season dates, bag limits and shooting hours will become effective November 1, 2015 and extend through one-half hour after sunset on March 1, 2016.
